

Post-Judgment Interest Rate

For Judgments Entered On or After July 1, 2003

1. Contract or Note – If there is a contract or note that provides the interest rate, post-judgment interest is **the greater of**
 - (a) The interest rate specified in the contract or note; or
 - (b) The interest rate based on the Interest Rate Chart, below.
2. All Other Cases – In all other cases, post-judgment interest is based on the Interest Rate Chart, below.

Interest Rate Chart

If Judgment is entered in the following year	Then Post-Judgment Interest is
2010	6.41%
2009	6.40%
2008	9.42%
2007	10.99%
2006	10.36%
2005	8.77%
2004	7.28%
2003	7.41%

This Chart already includes the calculation of the T-Bill rate plus 6%

NOTE: *Post-judgment interest is awarded on judgments in Small Claims actions. However, the post-judgment interest rate is not stated in the Small Claims Judgment.*
